NOUS SOMMES
TOUS DES
ALCHIMISTES!
QUAND LE PLOMB
SE TRANSFORME
EN OR.

SOMOS TODOS ALOQUIMISTAS !

Temos o poder de transformar o Chumbo em Ouro! Temos o ónus/compromisso de cuidar da vida, de construir um mundo co-habitável.

Juntos, afirmamos e preservamos os direitos humanos e os deveres e liberdades fundamentais, consciencializando para a importância do património, no quadro da tradição universal de interdependência e solidariedade entre os povos do Mundo!

As 98 joias criadas / expostas representam as condições e meios que favorecem a construção e preservação da paz. Neste desafio comum, em intercâmbio entre seis países/escolas - Bélgica, Espanha, França, Itália, Letónia e Portugal – descobrimos as diferentes realidades e dimensões humanas inerentes ao património natural e cultural nas suas múltiplas identidades e perspetivas.

WE ARE ALL ALCHEMISTS !

We have the power to turn Lead into Gold! We have the onus/commitment to care for life, to build a co-habitable world.

Together, we affirm and preserve human rights and fundamental duties and freedoms, raising awareness of the importance of heritage, within the universal tradition of interdependence and solidarity among the peoples of the World!

The 98 jewels created / exhibited represent the conditions and the resources that favour the construction and preservation of peace.

In this common challenge, in an exchange between six countries/schools - Belgium, Spain, France, Italy, Latvia and Portugal - we discovered the different realities and human dimensions inherent to the natural and cultural heritage in its multiple identities and perspectives.
